Dear Don,

**RE: Exterior Painting Works**

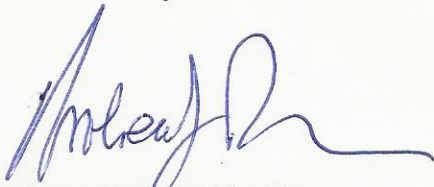

We wanted to express our thanks to you on the completion of the exterior painting to our house at Smiths Road.

The standard and quality of work is outstanding and the whole job was completed over the agreed period. The finished result is wonderful and has caught the eye of all surrounding neighbours who have all expressed how impressed they are.

I am happy to send you a few pictures of the end result for the house and the outside front wall, and would be happy to recommend you to any prospective customers in the future. Please do not hesitate to provide our contact details should they desire it.

Thanks again....

Yours sincerely
